Licensure

Registered Nurse, Commonwealth of Massachusetts, #2348509

Clinical Experience

Staff Nurse - Adolescent DBT Residential March 2021 - Present
McLean Hospital, Arlington, MA

- Provided nursing support to adolescent patients in a psychiatric residential setting. Responsible for medication administration, assessment of vital signs, toxicology screenings, wound care, and infection control.
- Worked collaboratively with nursing and medicine to maintain accurate medication orders, assisting with medication reconciliation.
- Oversaw and trained residential counselors on medication administration and infection control procedures.

Nurse Practitioner Intern May 2021 - August 2021
BAMSI - Whitman Counseling Center, Whitman, MA

- Contributed to the psychiatric assessment of a diverse outpatient population in a community setting. Assisted with patient follow-ups and psychoeducation.
- Provided psychotherapy and performed intake mental health assessments.

Mental Health Specialist Jan 2016 - Aug 2016
McLean Hospital, Belmont, MA

- Conducted frequent patient assessments in collaboration with the nursing team. Led patient groups and provided psychoeducation. Assisted with deescalation and psychiatric emergencies.

Research Experience

Senior Clinical Research Coordinator - Psychiatry Clinical Trials Sept 2018 - May 2019
Massachusetts General Hospital, Boston, MA

- Developed and implemented study protocols and standard operating procedures (SOPs) for quality control programs for multiple psychiatric clinical trials.
- Obtained psychiatric interview results from physicians, tracked and communicated results to study sponsors.
- Trained new research staff on study protocols and eligibility criteria.

Research Experience (continued)

Graduate Student Researcher

Sept 2017 - June 2018

Johns Hopkins Bloomberg School of Public Health, Baltimore, MD

- Conducted epidemiological research on topics related to substance use, drug policy, and adolescent health.
- Enrolled patients in a clinical research study on opioid use disorder in the emergency department.

Clinical Research Coordinator - Emergency Medicine

July 2016 - Aug 2017

Massachusetts General Hospital, Boston, MA

- Served as the lead study coordinator on multiple clinical trials focused on neurological emergencies, actively collaborating with study sponsors, contract research organizations and physician investigators.
- Performed study procedures, including administration of investigational treatments, phlebotomy, collection and documentation of vital signs, and laboratory processing.
